Figure 7

Figure 8 is a schematic diagram of a mechanical assembly, likely a valve or actuator. The diagram shows a central shaft (780) passing through a housing (782). A piston (783) is positioned within the shaft. A control mechanism (785) is located on the left, connected to the shaft via a linkage (778). A valve stem (786) is connected to the piston and extends to the right, ending in a valve seat (787). The assembly is mounted on a base (791). Various other components are labeled with reference numerals: 780, 782, 783, 785, 778, 779, 784, 792, 851, 850, 501, 860, 861, 791, 787, 1000, 1002, 110, 112, 1010, and 1020.
